TRAIN DAY IS COMING!

TRAIN DAY!

Sunday, June 24, 2007
10 a.m. to 4 p.m.

It is that time of year to bring the young and young at heart to the Museum of San Ramon Valley's Annual Train Day celebration.

This year's Train Day will feature European Model trains. The ever-popular train ride will take big and little kids around the parking lot. There will be many other activities, too: antique cars; a dunk tank (Stan Wharton has issued the challenge for you to dunk him); fire trucks; music; rescue animals; raffles; and of course everyone's favorite, ice cream! Come join us in a day to celebrate the Valley's history, trains, and people.

Entry is free although donations are encouraged. A modest fee is charged for the train rides, beverages and ice cream. The Museum Store will have terrific train items for sale.

Meet your friends and make new ones as you stroll down memory lane on June 24th, 10 a.m. to 4 p.m. at the Museum of San Ramon Valley's Train Day celebration. See you there!
