

## When Will the Model Trains Run Again?

July 1-August 2!

Kids and parents keep asking when the model trains will come back to the Museum. So, by popular demand, look for the European Train Enthusiasts to run their trains once again July 1 - July 12th. These "HO" scale trains, running on an intricate layout that looks like little Europe, are always popular.

Following the European Train Enthusiasts the "S" scale trains, which are 1½ times larger than the "O" scale, will arrive. The "S" scale train club runs two trains on their two track modular layout. They will be in the Museum July 15-19.

After that club moves on our own Earle Schremp will remount the train board he created last year. This will run through August 2. Many children helped Earle by blowing the train whistles and running the train. The volunteers who are members of the various model train clubs have as much fun as our visitors.

## WE THE PEOPLE - OUR VOICES FROM 1900 TO 2000

And just how do our voices get heard here in the San Ramon Valley? The Museum of the San Ramon Valley will show you with our *We the People* exhibit opening August 5 and continuing through September 27. On display will be pictures of presidents from William McKinley to Bill Clinton; governors from Harry Gage to Gray Davis; maps of the districts; and pictures of the elected officials in the San Ramon Valley from 1900 - 2000. A special feature will be material related to Congressman John Baldwin, who was born and raised in Danville.

We could use your help!

- Loan us old campaign buttons and other memorabilia (the older the better)
- Loan us photos of local folks with presidents or governors
- Help with research
- Visit the Museum

If you care to help, please give me a call.

### Poll Workers Still Needed

Consider being a poll worker for the November 2008 election. Contra Costa County is greatly understaffed and in dire need of more workers. To find out more information call 925-335-7800 or go to [www.cocovote.us](http://www.cocovote.us)
