

New Branch Line Editions

The *Branch Line* will be coming into your homes three times each year. The issues will be noted by the seasons **Summer** in June, **Winter** in November and **Spring** in February. This consolidation will provide an opportunity to create larger issues and allow considerable printing and postage savings. We hope you will continue to be excited about all the Museum news and upcoming events through our Branch Line publication. **Danville Vice-Mayor Candace Andersen** has generously agreed to stay on as editor this year, and we thank her for her continued interest and volunteer efforts on behalf of the Museum.

Museum Directory Published

Hot off the press! The new bright teal-colored **Museum Volunteer Directory** is available to be picked up by volunteers in the Greeter Closet. Special thanks go to **Marge Blake-Meyers** for her generous contribution of funds to pay for the printing costs. **Eve Vojvoda**, Administrative Assistant, compiled all the information, adding the new volunteer names and updating changes necessary. Thanks, Eve!

New Faces

Greeters new to the Museum are **Jeffrey Olsen** and **Peter Wilson**. New Docents are **Dave Miklasevich** and **Sally Powers**. We thank them for donating their time and talents towards the Museum.

Sign in, Please!

In an effort to more accurately tally volunteer hours we are asking that all volunteers sign in each time they help at the Museum as well as tallying the hours donated away from the Museum for Museum related activities. We are suggesting that you jot down donated hours on a daily corner of your calendar or Blackberry and tally them at the bottom of the month's page before turning your calendar to the next month. At the end of the year you could then quickly total your Volunteer hours. **Carmen Curtis**, Volunteer Chair, will be creating a simple form for you to register your hours at the end of the year, so start filling in your hours today!

Train Day Volunteers Needed

It's that time of year again! Train Day Engineer, **Jerry Warren**, will need many of you to jump on board **Sunday, June 24th**. He also needs a core group of helpers on **Saturday** afternoon, **June 23rd** to set up in the parking lot. The sign-up folder is on the Greeter desk at the Museum, and you can save **Carmen Curtis** a call to you by calling her first at 837-9781 or the Greeter desk at 837-3750 to give us a few hours of your time either of these days. **We need YOU as it takes over 60 Volunteers to make this a successful event.**

Brochures

Stop by the Museum and pick up some of our newest brochures highlighting early transportation in the Valley. They were, generously underwritten by **Fishwork Designs** and **Chevron**.
