

Wells Fargo Installs Mural Depicting Valley History

The newest San Ramon Valley branch of Wells Fargo Bank, located in the Dougherty Valley, has installed a historic mural which was made using pictures from the Museum's archives. Stop by to see this work of art depicting Valley history at the Wells Fargo Branch located in the newly opened shopping center at the intersection of Dougherty and Bollinger Canyon Roads. In appreciation for our sharing of these historic images, Well Fargo generously donated \$800 to the Museum.

WE NEED YOUR POLITICAL MEMORABILIA!

The Museum's August through September exhibit will be 100 Years of Political History in the Valley. If you have some old campaign items from 1900-2000, including buttons, bumper stickers, pictures, flyers, posters or other political memorabilia, they may be a nice addition to our exhibit.

In particular, items from Valley campaigns in years past are needed. The older the better! Do not leave them at the Museum. Let **June Hannon**, 943-1188, know what you have and arrangements will be made to pick them up. She will start gathering these soon, with a cutoff date of April 4th.

On another political note...

Consider being a poll worker for either the June or November 2008 elections. Contra Costa County is greatly understaffed and in dire need of more workers. To find out more information call 925-335-7800 or go to www.cocovote.us
