San Ramon Valley Historical Society

You will soon be able to take a tour of the historical plaques placed throughout the San Ramon Valley. **Helen Robles** is planning a tour early this summer. We hope to use the Dreyer's Bus as transportation and enjoy box lunches at one of the sites. Helen is also planning a tour of the Black Diamond Mines for later this fall.

The Landmarks Committee is nearing completion of a plaque for the Cohen-Vecki House located on Front Street. This plaque will be smaller than some of the others and will be mounted to the wall beside the front door.

Another project the Landmarks Committee is supervising is replacing the Union Academy sign that used to stand on Danville Boulevard where El Portal meets. We have a young man who is working on creating the sign as his Boy Scout Eagle project. With our supervision and support he is getting the necessary county permits and building and placing the sign in the appropriate spot. Keep your eyes open for plaque dedications.

In May we held our Pioneer Night, where descendants of our pioneer families shared stories passed down through generations. Our next gathering will be our picnic at **Hap Mcgee Park** in August. Of course, everyone is welcome to join us in our activities. Please call me at 831-3574 if you would like more information
